

REQUEST FOR QUALIFICATIONS

Request to Florida Licensed Construction Management Firm:

Estero Fire Rescue is requesting qualifications from licensed Florida Construction Management Firms for the design of a fire rescue station and training facility to be constructed on land located on Corkscrew Road East of The Place Subdivision, Lee County, Florida. The parcel is approximately 5 acres in size. A package of material specifying the content of an acceptable response to this request for qualifications may be obtained at the main office of Estero Fire Rescue, Monday through Thursday between 9:00 AM and 4:00 PM located at 21500 Three Oaks Parkway, Estero, FL 33928 or by requesting an electronic copy of the material by telephone from Kim Poli at 239-390-8000.

The Fire Chief or his designee may select one or more qualified applicants for this planning and design project. Provided, the total sum allocated for such planning and design effort shall not exceed the threshold amount provided by section 287.017, Florida Statutes of Category Two expenditures for professional services (\$35,000).

The deadline for written submission of qualifications is noon on November 24, 2020, at the front desk of the Estero Fire Rescue main office at 21500 Three Oaks Parkway, Estero, FL 33928. All costs of preparation and submission of the qualification statement and related material shall be assumed by candidates for this project and the District reserves the right in its sole discretion to reject all submissions. For any firm that wishes to attend, a pre-submittal meeting will be held at 10:00 AM on November 4, 2020 at 21500 Three Oaks Parkway, Estero, FL.
